The state's goals for amending the demonstration for New Mexico's Medicaid managed care program, known as Centennial Care 2.0, include providing the most effective, efficient health care possible for covered New Mexicans and to continue the healthcare delivery reforms that were initiated during the previous demonstration period.

Areas of Focus in the Waiver Amendment:

- Member engagement and personal responsibility
- Administrative simplification through refinements to eligibility
- Benefit and service delivery modifications

Proposed Changes to Member Engagement & Personal Responsibility

Proposed Waiver Amendment Areas:

#1: Remove all co-payments from Centennial Care

As currently approved, the Centennial Care 2.0 waiver would allow co-payments of \$8 for non-emergency use of the hospital Emergency Department (ED) and \$8 for non-preferred prescription drugs for most Centennial Care members. HSD does not intend to implement these co-payments and seeks to remove this authority from the waiver.

#2: Remove premiums for members of the Adult Expansion Group

The current Centennial Care 2.0 waiver requires HSD to implement monthly premiums of \$10 for members of the Adult Expansion Group who have income above 100% of the federal poverty level (FPL), effective July 1, 2019. HSD does not intend to implement premiums and seeks to remove the requirement to implement them from the waiver.

Proposed Changes Through Refinements to Eligibility

Proposed Waiver Amendment Area:

#3: Reinstate Retroactive Eligibility

The current Centennial Care 2.0 waiver includes a phase-out of the three-month retroactive Medicaid coverage period for non-pregnant adults covered under Centennial Care. In calendar year 2019, the retroactive period is limited to one month. In calendar year 2020, the waiver requires HSD to eliminate retroactive coverage for this population entirely.

HSD does not intend to proceed with eliminating retroactive coverage in 2020 and seeks federal approval to reinstate the full retroactive coverage period for all affected individuals as quickly as possible. HSD's proposed effective date for reinstating retroactive coverage is July 1, 2019.

Proposed Benefit & Service Delivery Modifications

Proposed Waiver Amendment Area:

#4: Community Benefit Services

Centennial Care expanded the availability of Community Benefit (CB) services to individuals who qualify for full Medicaid coverage and meet a Nursing Facility Level of Care (NF LOC) by eliminating the requirement for a waiver allocation in order to access the full suite of CB services. HSD has continued to provide access to CB for certain members who do not meet the standard Medicaid financial eligibility by establishing 4,289 slots in the Centennial Care waiver. Current allocation efforts by HSD are keeping up with attrition; however, HSD anticipates that the need for additional slots will increase.

HSD is proposing to increase the number of slots by 1,500 through the waiver amendment.

Proposed Benefit & Service Delivery Modifications

Proposed Waiver Amendment Area:

#5: Home Visiting Pilot

The Centennial Care 2.0 Home Visiting Pilot program focuses on prenatal care, postpartum care, and early childhood development in state-designated counties. HSD is proposing to remove the restriction on the number of counties in which the Home Visiting Pilot can be implemented, as well as the number of **potential members who can be served by home visiting services.**

Additional counties providing home visiting services will be designated by HSD throughout the term of the waiver.

Thank you for attending and your participation in the public hearing process.

We will now receive and record your feedback related to the information presented.
