Executive Summary

Summary Description Including Goals and Objectives Effective January 1, 2023, changes are being made to the Former Foster Care Children (FFCC) group to comply with changes made to Section 1002(a) of the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment for Patients and Communities (SUPPORT) Act. One change mandates that eligibility for the FFCC group be allowed for individuals who age out of foster care from another state than where they currently live. New Mexico already allows coverage for FFCC group individuals who age out of foster care from another state through an 1115 Waiver. New Mexico will continue to include individuals who aged out of foster care from another state prior to January 1, 2023 through the 1115 Waiver; the new State Plan change applies only to individuals who aged out of foster care from another state on or after January 1, 2023. A second change of the SUPPORT Act provides that individuals who meet the eligibility requirements of the FFCC group may be enrolled in that group, even if they meet the eligibility requirements for another mandatory group, as long as they are not actually enrolled in such group.
