Concise Explanatory Statement For Rulemaking Adoption:

Findings required for rulemaking adoption:

Findings MUST include:

- Reasons for adopting rule, including any findings otherwise required by law of the agency, and a summary of any independent analysis done by the agency;
- Reasons for any change between the published proposed rule and the final rule; and
- Reasons for not accepting substantive arguments made through public comment.

The reason for adopting this rule is to implement the HHS 2024 federal poverty level (FPL) changes as required by the Department of Health and Human Services. Changes in the FPL have a positive impact on Medicaid applicants making them more likely to be eligible due to increased income limits.

Issuing authority (If delegated, authority letter must be on file with ALD):
