[2/1/1995; 8.290.600.9 NMAC - Rn, 8 NMAC 4.WAV.600, 5/1/2002; A, 11/1/2012]

8.290.600.10 BENEFIT DETERMINATION: Application for the waiver programs is made using the HSD 100 application. Upon notification by the appropriate program manager that an unduplicated recipient (UDR) is available for waiver services, applicants are registered on the income support division ([ISD](#)) eligibility system. Applications must be acted upon and notice of approval, denial, or delay sent out within 45 calendar days from the date of application, or within 90 calendar days if a disability determination is required from the [\[DDSU\] disability determination unit \(DDU\)](#). The eligible recipients must assist in completing the application, may complete the form themselves, or may receive help from a relative, friend, guardian, or other designated representative.

A. Representatives applying on behalf of individuals: If a representative makes application on behalf of the eligible recipient, that representative will continue to be relied upon for information regarding the eligible recipient's circumstances. The ISD caseworker will send all notices to the eligible recipient in care of the representative.

B. Additional forms: The following forms are also required as part of the application process:
(1) the eligible recipient or representative must complete and sign the primary freedom of choice [\[ef case management agency\] \(PFOC\)](#) form at the time of allocation; and
(2) the eligible recipient or representative must sign the applicant's statement of understanding at the time waiver services are declined or terminated.

C. Additional information furnished during application: The ISD caseworker provides an explanation of the waiver programs, including, but not limited to, income and resource limits and possible alternatives, such as institutionalization. The ISD caseworker refers potentially eligible recipients to the social security administration to apply for supplemental security income (SSI) benefits. If a disability decision by the ~~[DDSU]~~ DDU is required, but has not been made, the ISD caseworker must follow established procedures to refer the case for evaluation.
[2/1/1995; 1/1/1997; 8.290.600.10 NMAC - Rn, 8 NMAC 4.WAV.620 & A, 5/1/2002; A, 11/1/2007; A, 11/1/2012; A, 3/1/2018; A, xx/xx/xxxx]

8.290.600.11 INITIAL BENEFITS:

A. ~~[The application for home and community-based services waiver is approved when the following factors of eligibility have been met: financial, non-financial, and level of care. An application will be initiated when the ISD caseworker is notified by the appropriate program manager that a UDR position is available for the registrant (with the exception of the AIDS waiver). After the individualized service plan has been in effect for 30 days or if it can be reasonably anticipated that services will be in effect for 30 days, the application is approved effective the first day of the month of the start date of the individualized service plan, unless income/resources deemed to a minor child from his parents results in the child's ineligibility for the initial month. The eligibility start date is based on the date of application or the start date of the ISP, whichever is later. See Section 8.290.500.17 NMAC, Deeming Resources, and Section 8.290.500.21 NMAC, Deemed Income. Following initial approval, waiver services must be provided to eligible waiver recipients within 90 calendar days of the approval.]~~
The application process begins once the letter of allocation and the medicaid application for assistance are received by ISD. Once ISD has confirmed the applicant/recipient meets all eligibility criteria, the application can be approved effective the first month for which an approved level of care has been established. Medicaid eligibility covers acute and ancillary medicaid services effective the first day of the first month of medicaid eligibility. Waiver services are prospective and are only available once the individual services plan (ISP) or comprehensive care plan (CCP) is approved and implemented. Medicaid eligibility under the waiver program is contingent on the receipt of waiver services. If an applicant/recipient is transitioning from one home and community-based services (HCBS) waiver program to another, ISD must be contacted to coordinate the start date based on the month the ISP or CCP is established for the new program. This is to ensure there is no interruption in services for the recipient.

B. Notice of determination: Applicants determined to be ineligible for waiver services are notified of the reason for the denial and provided with an explanation of appeal rights.

C. Applicants determined to be eligible for waiver services are notified of the approval.
[2/1/1995; 1/1/1997; 8.290.600.11 NMAC - Rn, 8 NMAC 4.WAV.623 & A, 5/1/2002; A, 11/1/2007; A, 11/1/2012; A, xx/xx/xxxx]

8.290.600.12 ONGOING BENEFITS:

A. ~~[Regular reviews:]~~ A complete redetermination of eligibility must be performed annually by the ISD caseworker for each open case. ~~[The redetermination includes contact with the eligible recipient or his representative to review financial and non-financial eligibility.]~~

B. ~~[Additional reviews:~~ Additional reviews are scheduled by the ISD caseworker depending upon the likelihood that the eligible recipient's income, resources or medical condition will change. The following are examples of frequently encountered changes which affect eligibility:

- (1) — social security cost of living increases;
- (2) — VA cost of living increases;
- (3) — rental income may be sporadic and require review every three months; and
- (4) — ~~level of care review.]~~ Level of care determinations are made by the utilization review

contractor or a member's selected or assigned managed care organization, as applicable to the centennial care, community benefit program. Level of care reviews are required to be completed at least annually except for certain community benefit members whose chronic condition is not expected to improve. These individuals may be eligible for an ongoing nursing facility (NF) level of care (LOC). To qualify for ongoing NF LOC, the community benefit member must have met a NF LOC for the previous three years. The ongoing NF LOC status must be reviewed and approved annually by the managed care organization's medical director and must be supported in documentation by the member's physician. The complete criteria for an ongoing NF LOC can be found in the New Mexico medicaid nursing facility level of care criteria and instructions document.

C. 90 day reconsideration period: HSD will reconsider in a timely manner the waiver eligibility of an individual who is terminated for failure to submit the renewal form or necessary information, if the individual

subsequently submits the renewal form within 90 days after the date of termination without requiring a new application per 42 CFR 435.916(C)(iii).

8.290.600.13 RETROACTIVE BENEFITS: ~~[Retroactive coverage is not available under any of the waiver programs.]~~ Eligibility for these categories is prospective so retroactive coverage is not available in accordance with 8.200.400.14 NMAC.
[2/1/1995; 8.290.600.13 NMAC - Rn, 8 NMAC 4.WAV.625, 5/1/2002; A, xx/xx/xxxx]

8.290.600.14 CHANGES IN ELIGIBILITY: If the eligible recipient ceases to meet any of the eligibility criteria, the case is closed following provision of advance notice as appropriate. See Section 8.200.430.9 NMAC and following subsections for information about notices and hearing rights.

A. Non-provision of waiver services: To continue to be eligible for waiver services, an eligible recipient must be receiving waiver services, early and periodic screening, diagnostic and treatment (EPSDT) benefits or managed care services, other than case management, (42 CFR Section 435.217). If at any time waiver services are no longer being provided (e.g., a suspension) and are not expected to be provided for ~~[60]~~ 90 consecutive days, the recipient is **ineligible** for the waiver category and the case must be closed after appropriate notice is provided by the ISD caseworker.

B. Admission to a hospital, nursing facility, or intermediate care facility for individuals with intellectual disabilities ~~(ICF-ID)~~ (ICF-IID): If an eligible waiver recipient enters an acute care hospital, a nursing facility, or an ICF-IID and remains for more than ~~[60]~~ 90 consecutive days, the waiver case must be closed and an application for institutional care medicaid (ICM) must be processed. The eligible recipient is not required to complete a new application if the periodic review on the waiver case is not due in either the month of entry into the institution or the following month. If the waiver recipient is institutionalized within less than ~~[60]~~ 90 consecutive days and still receives waiver services within that time frame, the waiver case is not closed and an application for ICM need not be processed.

C. Reporting changes in circumstances: The primary responsibility for reporting changes in the eligible recipient's circumstances rests with the eligible recipient or his/her representative. At the initial eligibility determination and all on-going eligibility redeterminations, the ISD caseworker must explain the reporting responsibilities requirement to the eligible recipient or his/her representative and document that such explanation was given. In the event that waiver services cease to be provided, the case manager or the waiver program manager (or designee) must immediately notify the income support division office of that fact by telephone. The telephone call is to be followed by a written notice to the ISD caseworker.
