

Letter of Direction # 47

Date: September 22, 2020

To: Centennial Care 2.0 Managed Care Organizations 

From: Nicole Comeaux, Director, Medical Assistance Division

Subject: Health Care Quality Surcharge (HCQS) Per Diem and Market Basket Index (MBI) Increase for State Fiscal Year (SFY) 2021

Title: HCQS Per Diem and MBI increase for SFY 2021

Background

The purpose of this Letter of Direction (LOD) is to provide instructions to the Centennial Care Managed Care Organizations (MCOs) for implementing the Health Care Quality Surcharge (HCQS) Per Diem and Market Basket Index (MBI) increase for State Fiscal Year (SFY) 2021 (July 1, 2020 through June 30, 2021) as required by New Mexico statute, §7-41-4 and §7-41-6 NMSA 1978, originally enacted under Senate Bill 246 (SB246) during the 2019 Regular Legislative Session. In accordance with SB246 statutory requirements, the Per Diem and MBI will be adjusted on July 1st of each year. HSD has provided detailed instruction for implementation of the HCQS in letter of direction #32 (LOD #32). This LOD does not replace or supersede the direction in LOD #32. Besides the changes noted in this LOD, the MCOs are required to continue to follow the direction in LOD #32.

Nursing Facility Per Diem and MBI increases effective July 1, 2020

Effective July 1, 2020, the MCOs are directed to implement Medicaid rate increases to nursing facilities (NFs) in two categories as follows:

1. Revised uniform per diem rate increases based on class of facility:
 - Class 1 - <60 beds – exempt from surcharge: No per diem rate increase;
 - Class 2 - 60 or more beds and <90,000 Medicaid bed days: \$21.76 /Medicaid bed day; and
 - Class 3 - 60 or more beds and 90,000 or more Medicaid bed days: \$7.62 /Medicaid bed day.
2. Market Basket Increase (MBI) of 2.8% (0.028) for each facility. This amount is calculated before the per diem increase add-on cited above.

The MCOs are directed to increase NF per diem rates by the uniform percentage MBI factor and the uniform per diem add-on for utilization for both short term and long term bed days incurred by Medicaid members beginning July 1, 2020. The MCOs are directed to reprocess claims at the higher per diem and MBI amounts retroactive to July 1, 2020.

The operational formula associated with the MBI increase is as follows:

January 2020 through June 2020 Nursing Facility Rate * (1+0.028) + Uniform per diem = July 2020 through June 2021 Nursing Facility Rate

The MCOs must complete the implementation of the per diem and MBI rate increases and reprocess affected claims within 60 days of the issuance of this directive.

Inclusion of the HCQS Program in MCO Capitation Rates

To support the HCQS MBI increase, HSD has increased the capitated rates for impacted cohorts in the Physical Health (PH), Long-Term Services and Supports (LTSS), and Other Adult Group (OAG) programs. The payment has been calculated based on the program allocation and the distribution of affected members. The MCOs will begin receiving the increased capitation for these cohorts on July 1, 2020.

Attachment:

1. Healthcare Facility Classifications – July 1, 2020
