SUBJECT: MIRENA INTRAUTERINE DEVICE PROCEDURE CODE CHANGE
FROM S4981 TO J7302

Effective September 30, 2005, the S4981 procedure code will be inactivated for the use of the Mirena IUD.

Effective October 1, 2005, the Medical Assistance Division has replaced procedure code S4981 for the Mirena Intrauterine Device, with the procedure code J7302, which is "Levonorgestrel-Releasing Intrauterine Contraceptive System, 52 MG". The fee schedule amount for J7302 is \$406.70. Providers must continue to bill their usual and customary charge for the device and insertion.

In addition, for reimbursement for the device, providers can also bill for the insertion of the IUD with procedure code 58300.

For any questions regarding this request, please contact Joanie Roybal at (505) 827-6227 at the Medical Assistance Division. Thank you for your assistance to this matter.
