Letter of Direction #36

Date: December 6, 2024
To: Turquoise Care Managed Care Organizations
From: Dana Flannery, Medical Assistance Division 
Subject: Medicaid Provider Payment Rates
Title: State Fiscal Year 2025 Payment Rate Increases

The New Mexico Health Care Authority (HCA) is announcing its intention to raise Medicaid provider payment rates effective January 1, 2025, and outlined in House Bill 2 (HB2) from the 2024 legislative session. Raising Medicaid payment rates will increase access to high-quality care for Medicaid members through appropriate reimbursement of health care services and attract and retain health care providers to New Mexico. HCA believes that these rate adjustments will help build and protect the New Mexico Medicaid health care delivery network. The proposed rate increases were supported, endorsed, and funded by the New Mexico Legislature during the 2024 regular session.

The purpose of this Letter of Direction (LOD) is to direct Managed Care Organizations (MCOs) on the implementation of the provider rate increases that are described in the October 9, 2024 public notice. This increase shall apply to each provider's contracted rates with each MCO. As outlined in HB2 the MCOs shall not negotiate less than the Medicaid Fee-for-Service (FFS) rate. This includes rates negotiated between MCOs and sub-vendors or sub-contractors. Any rate paid to providers for services to Medicaid members within the state of NM must use the MAD FFS rate as the minimum rate. The Agency expects MCOs to maintain current levels of reimbursement for providers who may be contracted above the rate increases outlined in this LOD.

1. For Maternal & Child Health, Physician & Other Practitioners, and Behavioral Health service areas MCOs are directed to increase payment **to a minimum of 150% of the 2024 Medicare fee schedule**, effective January 1, 2025, as defined in the rate table attached. This increase shall apply to each provider's contracted rates with each MCO.
2. For all codes in other service areas where Medicare FFS rates are available, MCOs are directed to increase payment **to a minimum of 100% of the 2024 Medicare fee schedule**,

effective January 1, 2025, as defined in the rate table attached. This increase shall apply to each provider’s contracted rates with each MCO.

3. For all other identified codes in other service areas without a Medicare rate, MCOs are directed to increase payment to **at least the FFS amount on the table attached**, effective January 1, 2025. This increase shall apply to each providers contracted rates with each MCO.

RHC/FQHC

For rural primary care clinics and Federally Qualified Health Centers (FQHCs), MCOs are directed to increase payment according to the rate letter sent to the provider. FQHC rates are retroactively effective **October 1, 2024**. This increase shall apply to each provider’s contracted rates with each MCO.

Community Benefit Rate Increase

a. Agency-Based Community Benefit

Rates for all Agency-Based Community Benefit (ABCB) services shall be increased effective January 1, 2025 as indicated in the table below. If codes are not listed, there is no increase. MCOs must collaborate with ABCB providers to minimize the administrative burden of this rate increase on providers.

b. *Self-Directed Community Benefit*

Self-Directed Community Benefit (SDCB) rates in the Range of Rates Table (Table 2 below) shall be increased effective January 1, 2025 as indicated below. If an SDCB code is not listed, there is no increase. All current rates that fall below the updated minimum amount in the table below shall be increased in collaboration with the Employer of Record (EOR)/Member. All rates currently within the updated range of rates below can be increased as requested by the EOR/Member.

Effective January 1, 2025, the SDCB Range of Rates Table (Table 2 below) should be used to develop new budgets and implement budget revisions. For the impacted SDCB codes below, Table 2 should be utilized until updated in the Managed Care Policy Manual.

MCOs have the responsibility to inform their Support Brokers (SB) of the increase in the SDCB range of rates. SBs must work with the SDCB members to determine updated employee and vendor rates. All SDCB members who are updating employee and vendor rates must work with their Care Coordinators and SBs to increase budgets. MCOs must ensure all rates are updated to reflect at least the minimum rate allowed within 60 days of issuance of this LOD. MCOs must work with Conduent and FOCoS to ensure that the new range of rates are reflected correctly in the FOCoS system, and that all Conduent forms are updated as needed within 60 days of the issuance of this LOD.

Pay Parity

For non-physician practitioners, MCOs are directed to implement pay parity between physicians and non-physician practitioners. For services that are within the scope of licensure or certification for Certified Nurse Practitioners, Physician Assistants, Clinical Nurse Specialist, Nurses, Certified Registered Nurses, Anesthetists, Anesthesiologist Assistants, Midwives Certified Nurse, Midwives, Licensed, Audiologists, Dietician/Nutritionists, Dental Hygienist, Licensed Clinical Social Workers and Counselors, Therapists, and other Social Workers. MCO will remove reduced reimbursement based on level of licensure.

Implementation

All the rate increases described in this LOD have been calculated and considered as a component of the MCO capitation rates that will be effective January 1, 2025. No reductions have been applied to rates and none should be imposed upon providers. HCA pays at the FFS rate plus the gross receipt tax (GRT). The MCO administrative costs include GRT in the CAP adjustments.

All rate increases must be completed and all claims with dates of service on or after January 1, 2025 must be adjusted and paid within 60 days of issuance of this LOD.

NOTE: FQHC rates are effective October 1, 2024. For FQHC claims submitted after October 1, 2024 but not paid based on these parameters, the MCOs are directed to adjust payments retroactive to October 1, 2024. The deadline to reprocess claims is 60 days from the date of this LOD.

HCA directs MCOs that no rates shall be reduced as a result of this LOD or the attached rate table. If an MCO identifies a potential reduction, they are directed to contact HCA. This LOD may be amended to address additional rate adjustments for FY2025.

This LOD will sunset when all rate increases have been implemented, contract amendments finalized, and claims have been adjusted back to the effective dates assigned in this LOD or 60 days from the issuance of this LOD.

To ensure comprehensive implementation of rate increases, there will be a subsequent LOD regarding increases to complex special rates and miscellaneous codes that were not captured in this iteration of increases. The next iteration of rate increases will be retroactively implemented to January 1, 2025.
