Although applicants and recipients of IV-D services may interact with IV-D attorneys regarding their cases, the interaction with the IV-D attorneys does not indicate any confidential relationship that the person would have with a private attorney. All IV-D applicants and recipients are on notice that information provided to the IV-D agency (either to IV-D staff or attorneys) will not be disclosed to the general public, but may be used to collect support from either parent. **8.50.100.12 PRIVATE COUNSEL:** Applicants for Title IV-D child support services may hire private legal counsel to represent their interests. If applicants or their legal representatives engage in conduct that is deemed to be non-cooperative, the case shall be eligible for closure. **C.** A non-disclosure indicator will be entered on the child support enforcement system (CSES) and on the physical case file if a protective order or family violence affidavit is submitted. A court order for unsupervised visitation is not generally compatible with a non-disclosure indicator. A non-disclosure indicator will not be entered if a support order or divorce decree provides for unsupervised visitation, unless there is a specific court protective order.

**D.** The federal government may disclose confidential information on a New Mexico Title IV-D case in accordance with 42 USC 653.

**E.** All state and local staff and contractors who may have access to or be required to use confidential program data in the computerized support system will:

**8.50.100.14 AUTHORIZED RELEASE OF INFORMATION:** Some information must be released to persons outside the agency. IV-D staff will exercise caution in releasing information on a Title IV-D case. Information should be released only after the identity of the requestor and the right to receive the information is clearly established. The burden of proving the legitimacy of a request is on the requestor.

**A.** Information may be released to the following parties:

(1) Applicants or recipients of Title IV-D services: Custodial and non-custodial parties of Title IV-D cases, their respective attorney of record, guardian, or power of attorney may obtain information concerning the receipt and distribution of payments, copies of legal documents filed in court on their case, public assistance benefits history, payment records, official notifications for a fee established by HSD, and correspondence from either the custodial or non-custodial party. They are not entitled to receive information that relates to the state's legal strategy or is otherwise protected by federal and state laws.

(2) Information may be released per the operational requirements of the program, subject to federal and state laws on confidentiality. Other agencies/requesters include, but are not limited to: district courts, credit reporting agencies, tax intercept programs, financial institutions, other Title IV agencies, medicaid agencies, authorized government agents (both federal and state authorized government agents must present adequate identification and permission from the individual concerned unless otherwise authorized to receive information), the federal office of child support enforcement and other state governmental bodies that are responsible for issuing licenses or holding money that is collectible by the Title IV-D agency.

(2) Written requests - Written requests for case information shall be screened by the Title IV-D agency to determine what information, if any, will be released.

(3) Walk-in requests - The same precautions applying to phone inquiries shall be used in dealing with walk-in requests for information. If uncertainty exists as to the identity of the requestor, the worker will ask to see identification before providing case information.

(4) Third party requests - The Title IV-D agency will not honor a request for information from a third party without a notarized release from either the custodial party or non-custodial party that specifies the information to be released. A third party may not obtain information pursuant to an authorized release unless the party consenting to the release is entitled to receive the information. The information provided will be in accordance with authorized releases according to federal and state law. The Title IV-D agency reserves the right to provide the requested information directly to either the custodial party or non-custodial party rather than the third party requestor or to redact personal or confidential information, as appropriate. An attorney of record for a custodial or non-custodial party is not considered a third party requestor.

**8.50.108.12 MODIFICATION OF CHILD SUPPORT ORDERS:** Either party may request the IV-D agency to provide the service of seeking the modification of a child support order. Applicable fees will be charged to the requesting party in compliance with 8.50.125.10 NMAC. The IV-D agency may seek a modification if the non-custodial parent will be incarcerated for more than 180 calendar days. The IV-D agency will not review a child support order for modification without request by a party, unless the custodial ~~parent~~ party is currently receiving public assistance. In accordance with federal and state laws, a modification of a support order is retroactive only to the time period that a petition or motion was filed with a court and was pending a decision.

**8.50.108.13 REVIEW AND ADJUSTMENT OF SUPPORT ORDERS:** The IV-D agency conducts a review for modification of support orders in the IV-D caseload three years from the effective date of the last support order. At the time of review, if the case is actively receiving public assistance, the IV-D agency must pursue a modification either upward or downward if its review indicates that there will be at least a twenty percent change from the current obligation of support. The review is conducted based on information provided by the parties and other sources that report income. Both parties are sent notice at the time of review to request current information from them regarding income, child care costs, medical expenses to include insurance, and any other appropriate expenses that are considered by the child support guidelines. Both parties are notified of the result of the review conducted by the IV-D agency. If the IV-D agency chooses not to pursue a modification, any party may independently pursue his or her own request for a modification of a support order. The State may initiate a review of an order, without a specific request for review, if information is received by the IV-D agency that the non-custodial parent will be incarcerated for more than 180 calendar days, pursuant to the conditions specified in 45 CFR §303.8(b)(2), (7), and (c). Under 45 CFR §302.56 (c)(3), incarceration may not be treated as voluntary unemployment when a support order is being modified.

**8.50.108.14 PROVISION OF SERVICES TO IV-B AND IV-E PROGRAMS:** Upon request for services from the state IV-B or IV-E program, the IV-D agency will review its caseload to determine if there is an active IV-D case. The IV-D agency will send a letter to both the custodial party and non-custodial parent(s) notifying them that the IV-B or IV-E agency has requested services due to the minor child(ren) being in state custody. If there is a current order of support in place, all money collected on the case or cases by the Title IV-D agency will be placed on hold pending an order by a district court regarding the distribution of the money or a withdrawal of the claim by the IV-B or IV-E agency for re-directed payments. If there is not a current support order in place, the IV-D agency will work with the IV-B or IV-E agency to obtain a support order in favor of the IV-B or IV-E agency.

**8.50.109.7 DEFINITIONS:** The following definitions apply to this part. Additional definitions may be found under child support enforcement program general provisions at 8.50.100.7 NMAC.

**A. “Cash medical support”** means an amount ordered to be paid toward the cost of health care coverage provided by a public entity (medicaid) or for other medical costs for minor child(ren) not covered by insurance.

**B. “Health care coverage** means health insurance coverage, generally associated with a medical, dental or vision plan of benefits, whether it be an employment-related or other group health plan, a health maintenance organization, a non-profit health plan, or any other type of health care coverage under which medical or dental services are provided, regardless of service delivery mechanism. Any health care plan coverage of a minor child shall, at a minimum, meet the standards of minimum health care protection as defined in the New Mexico Insurance Code, Section 59A-23B NMSA 1978.

**C. “Medical support”** means cash medical support, health care coverage, dental insurance, vision insurance, or a percentage split between the custodial party and the non-custodial parent for uncovered medical bills for children.

**D. “National medical support notice” or “notice”** means a qualified notice pursuant to a court order sent to an employer stating that an employee’s children must be covered by the employment-related health care insurance plan.

[8.50.109.7 NMAC - N, 10/1/2003; A, 8/14/2009; A, 7/1/2021]

**8.50.109.8 ESTABLISHMENT OF MEDICAL SUPPORT:** All orders obtained by the IV-D agency must include a provision for medical support for the children. For the purposes of the IV-D program reporting, medical support includes any one of the following: private health insurance, public health care coverage (health, dental, or vision), coverage through Indian health services (IHS), state children’s health insurance program (medicaid), or the

defense enrollment eligibility reporting services (DEERS), cash medical support, or a percentage split of uncovered medical expenses for the minor children. Determination of a reasonable cash medical support obligation is pursuant to 45 CFR §303.31(a)(3). If the children are covered by IHS, the IV-D agency will request that private health insurance care coverage be provided by either or both parents parties, when available. If the non-custodial parent provides health care coverage and changes employment, and the new employer provides health care coverage, the IV-D agency must transfer notice of the provision to the new employer. The IV-D agency must request the inclusion of a medical support provision even when employment-related or other group health care coverage is not available or when children cannot be added at the time the order is entered. The IV-D agency shall request the provision of cash medical support only if the case is actively enrolled in Title XIX medicaid at the time medical support is established or modified. The cost of health care coverage is calculated by determining the amount charged to the medical support obligor for adding children to the existing coverage, or the difference between individual and family coverage. The reasonableness of the cost of the care coverage will be determined by stipulation of the parties or by the court. The IV-D agency may request the provision of health care coverage by either or both the custodial party and the non-custodial parent and that the parties should be responsible for any uncovered medical expenses in proportion to their incomes on the current child support worksheet. If the court does not enter an order for medical support, the IV-D case record must specify that a provision for medical support was requested but was not issued, in accordance with 45 CFR §303.31(b)(1-4).

[8.50.109.8 NMAC - Rp 8 NMAC 5.CSE.830, 5/31/2001; A, 10/1/2003; A, 8/14/2009; A, 7/1/2021; A, 1/1/2022]

**8.50.109.9 TIME FRAMES AND REQUIREMENTS:** For all referral cases, within ninety calendar days of locating a non-custodial parent or of establishing paternity, child or medical support orders must be established or service of process must be completed to establish a support order. If service of process can not be completed, then the case record must reflect unsuccessful attempts to serve process. If the court dismisses a petition for support order without prejudice, the office must, at the time of dismissal, examine the reasons for dismissal and determine when it could be appropriate to seek an order in the future and seek a support order at that time.

[8.50.109.9 NMAC - Rp 8 NMAC 5.CSE.831, 5/31/2001; A, 10/1/2003; A, 8/14/2009]

**8.50.109.10 AVAILABILITY OF MEDICAL INSURANCE CARE COVERAGE:** Medical support will be addressed in actions to establish, enforce, or modify a child support award for minor children. All support orders obtained or modified by the IV-D agency will include a provision requiring either or both custodial party and the non-custodial parent to promptly inform the IV-D agency of the name and address of their current employers, whether either the custodial party or the non-custodial parent has access to health insurance care coverage and, if so, the health insurance care coverage policy information.

**A.** The non-custodial parent may be required to provide immediate health, dental, or vision insurance care coverage for the minor children if insurance health care coverage (not including Title XIX medicaid) is not available to the custodial party at a more reasonable cost than to the non-custodial parent for coverage of the minor child; and it is available to the non-custodial parent through an employment-related or other group health insurance plan, regardless of service delivery mechanism, which may be a labor organization, union, non-profit organization or professional association.

**B.** If medical insurance care coverage is not available to the non-custodial parent through an employment-related or other group health insurance care coverage plan, and health insurance care coverage is not being provided by the custodial parent, the non-custodial party may be required to provide immediate health insurance coverage for the children when it becomes available through an employment-related or other group health insurance plan.

**C.** Failure by a non-custodial parent to provide medical support for the minor children, and to provide information concerning health insurance care coverage, will subject the non-custodial parent to legal proceedings requiring the non-custodial parent to show cause as to why the non-custodial parent should not be held in contempt of court for failure to fulfill the requirements of the court order. This will be true even if medical support is the only area in which the non-custodial parent is not in compliance with the terms of the order.

[8.50.109.10 NMAC - Rp 8 NMAC 5.CSE.832, 5/31/2001; A, 10/1/2003; A, 8/14/2009; A, 1/1/2022]

**8.50.109.11 PROVIDING CUSTODIAL PARENTS WITH MEDICAL INSURANCE CARE COVERAGE INFORMATION:** If the non-custodial parent is responsible for providing health insurance care coverage, the IV-D agency will provide the custodial party with available health insurance care coverage plan information when the non-custodial parent secures coverage for the dependent children. This includes any information available to the IV-D agency about the health insurance care coverage plan that would permit a claim

to be filed or services to be provided. In cases enforced by the national medical support notice, the health ~~[insurance]~~care coverage plan shall provide this information to the custodial party and the IV-D agency, as outlined on the notice.

[8.50.109.11 NMAC - Rp 8 NMAC 5.CSE.831, 5/31/2001; A, 10/1/2003; A, 8/14/2009; A, 1/1/2022]

**8.50.109.12 MONITORING AND ENFORCING COVERAGE:** In all cases in which there is a court order with no medical support ordered, the case will be reviewed pursuant to the IV-D agency's plan for automatic review of all IV-D cases every three years. Even if no other modification is expected, the IV-D agency must seek modification to include medical support, except in non-IV-A non-medicaid cases where the custodial party has not consented to the IV-D agency obtaining medical support. All remedies available for the collection and enforcement of child support apply to medical support. In cases where the non-custodial parent is required to provide health ~~[insurance]~~care coverage through an employment-related or other group health ~~[insurance]~~care coverage plan pursuant to a child support order, the IV-D agency shall use, where appropriate, the national medical support notice to enforce the provisions of health ~~[insurance]~~care coverage for the children.

**A.** The IV-D agency must use the notice, when appropriate, to notify employers of the provision for health ~~[insurance]~~care coverage of the children. The agency must transfer the notice to the employer within two business days after the date of entry of an employee who is an obligor in a IV-D case in the state directory of new hires.

**B.** Employers must transfer the notice to the appropriate group health ~~[insurance]~~care coverage plan for which the children are eligible within twenty business days after the date of the notice.

**C.** Employers must withhold any obligation of the employee for employee contributions necessary for coverage of the children and send any amount withheld directly to the health ~~[insurance]~~care coverage plan. Employees may contest the withholding based on a mistake of fact. If the employee contests such withholding, the employer must proceed with withholding until such time as the employer receives notice from the IV-D agency that the contest is resolved.

**D.** Upon receipt of the national medical support notice, the health ~~[insurance]~~care coverage plan shall enroll the obligor's children as eligible dependents. Except as specifically outlined on the notice, the health ~~[insurance]~~care coverage plan shall not be required to provide benefits or eligibility for such benefits in addition to those provided under the terms of the plan immediately before receipt of the notice.

**E.** If the obligor is enrolled in a plan, the children shall be enrolled in the same plan in which the obligor is enrolled. If the obligor is not enrolled in a plan, the premiums charged for enrollment of the children only shall be the same as would be charged for enrollment of the obligor only. If the obligor is not enrolled in a plan and there is more than one plan option available for enrollment of the children, the plan shall notify the IV-D agency and the agency, in consultation with the custodial party, will select a plan option. If the custodial party does not notify the agency of the selected plan option within the timeframe required by the agency, the children shall be enrolled in the plan's default option, which is defined as the least costly plan that conforms with the minimum health care protection as defined in the New Mexico Insurance Code, Section 59A-23B-1 et seq NMSA 1978.

**F.** The health ~~[insurance]~~care coverage plan must notify the IV-D agency of the status of health ~~[insurance]~~care coverage for the children, as outlined on the notice, within forty days after the date of the notice. The plan shall also promptly notify the custodial party of the plan coverage and effective date, as outlined on the notice.

**G.** Employers must notify the IV-D agency promptly whenever the obligor's employment is terminated, in the same manner as is required for income withholding cases.

**H.** The IV-D agency must promptly notify the employer when there is no longer a current order for medical support in effect for which the IV-D agency is responsible.

[8.50.109.12 NMAC - Rp 8 NMAC 5.CSE.832.2, 5/31/2001; A, 10/1/2003; A, 8/14/2009; A, 1/1/2022]

**8.50.109.13 MEDICAL SUPPORT PROVIDED BY THE CUSTODIAL PARTY:** In cases where the custodial party has satisfactory medical ~~[insurance]~~care coverage for the minor children other than medicaid, the amount expended by the custodial party for health ~~[insurance]~~care coverage will be taken into account pursuant to the New Mexico child support guidelines worksheet that will be attached to the order. The IV-D agency will not enforce court ordered medical support against a custodial party.

[8.50.109.13 NMAC - Rp 8 NMAC 5.CSE.832.3, 5/31/2001; A, 10/1/2003; A, 8/14/2009; A, 1/1/2022]

**8.50.109.14 COMMUNICATION WITH THE MEDICAL ASSISTANCE DIVISION:** The IV-D agency is required to relay information regarding private health, dental, or vision ~~[insurance]~~care coverage to the medical

assistance division. This information includes newly obtained coverage, changes in coverage, or coverage lapses. The IV-D agency must report to the medical assistance division any medical support payments made directly to the custodial party if there is an assignment of medical support pursuant to 42 CFR 433.146. The IV-D agency in cooperation with the medical assistance division will communicate to determine if there are any lapses in health ~~[insurance]~~care coverage for medicaid applicant/recipient.

[8.50.109.14 NMAC - Rp 8 NMAC 5.CSE.832.4, 5/31/2001; A, 8/14/2009; A, 1/1/2022]

**8.50.109.15 ORDERING SPECIFIC DOLLAR AMOUNTS FOR MEDICAL SUPPORT:** The court order should include a set amount and specify that the amount is designated for cash medical support, when, for example, there is no private health ~~[insurance]~~care coverage available. This amount should be in addition to and not in lieu of the non-custodial parent's obligation to pay a percentage of unreimbursed medical expenses. Either the custodial party or the non-custodial parent may request the court to order the provision of cash medical support. The IV-D agency will request the provision of cash medical support only if the children are actively enrolled in Title XIX medicaid at the time medical support is established or modified. The IV-D agency will enforce a provision for cash medical support established or modified by any party so long as the court order designates a specific dollar amount to be paid in regular, equal installments (i.e. monthly, bi-weekly, weekly). If the order does not designate a specific dollar amount for medical purposes, the agency is not required to collect the money. For example, if the non-custodial parent is ordered to pay for the child's orthodontia, but no dollar amount is ordered, the IV-D agency will not enforce this component of the order.

[8.50.109.15 NMAC - Rp 8 NMAC 5.CSE.832.5, 5/31/2001; A, 10/1/2003; A, 8/14/2009; A, 1/1/2022]

**8.50.109.16 DISTRIBUTION OF MEDICAL SUPPORT:** The IV-D agency collects and distributes cash medical support and payments toward medical support judgments. Specific dollar amounts received for medical support must be sent to the medical assistance division for distribution when the case receives medicaid (Title XIX). When the case ceases to receive medicaid, the assignment of medical support terminates, except for amounts of any unpaid medical support obligations that accrued under the assignment. The IV-D agency will attempt to collect any unpaid dollar amounts designated in the court order for medical support and must forward the collection to the medical assistance division for distribution. Medical support is distributed directly to the custodial party if the family is not currently receiving or has never received medicaid.

[8.50.109.16 NMAC - N, 10/1/2003; Repealed, 8/14/2009; 8.50.109.16 NMAC - N, 8/14/2009]

**8.50.109.17 FEES:** In IV-D cases being enforced for medical support pursuant to the requirements of the national medical support notice, an employer may not assess a fee for withholding or for sending to the health ~~[insurance]~~care coverage plan, the employee contributions necessary for health ~~[insurance]~~care coverage of the children.

#### **8.50.112.1[0]1 COLLECTION OF PAST DUE SUPPORT BY FEDERAL TAX REFUND OFFSET:**

Federal tax refund offset is utilized to pay support arrearages, including child support, medical support, and spousal support. Cases meeting specific criteria are referred to the U.S. department of treasury's financial management service. ~~[A non-TANF custodial party who has applied for IV-D services is assessed fees for the federal income tax refund offset remedy. The fees are deducted from the tax refund when it is intercepted but are credited to the obligor's support payment. Custodial party consent is not required before submitting the case for offset in any IV-D case. In addition, cases may be submitted where there is past due support on behalf of a disabled adult who was determined to be disabled under Title II or XVI while he or she was still a minor and for whom a support order is still in effect.]~~

**A.** Criteria for federal income tax offset: A Title IV-D case may be referred for federal income tax offset, regardless of whether the child(ren) are emancipated, so long as there is a child support delinquency or arrearage ~~[owed]~~. Title IV-D cases having spousal support delinquencies or arrearages will not be referred for federal income tax offset ~~[if]~~ unless there is ~~[not also]~~ an ongoing child support obligation, delinquency, or arrearage. Title IV-D cases that are solely for processing payments will not be referred. Only Title IV-D cases that meet at least one of the criteria in 45 CFR § 303.72(a) are to be referred for federal income tax offset.

**B.** Periodic updates on referred obligors are sent by the Title IV-D agency to the treasury department. Those updates may result in modifications up or down on the balance due or deletions from the referral.

**C.** Joint return: The U. S. internal revenue service (IRS) will offset a refund from a joint income tax return to pay a past due support obligation if either tax filer is certified as being legally responsible for providing support. Complaints, questions, and forms (i.e., injured spouse claim and allocation) concerning joint refund cases

can only be addressed by the IRS. If the obligor's spouse is not liable for the support debt, the IRS will issue a pro rata refund to the spouse (upon the filing of an IRS injured spouse claim and allocation form by the obligor's spouse) and the Title IV-D agency will be required to reimburse the IRS in the amount of the pro rata refund. The federal government will advise the Title IV-D agency of any adjustments to Title IV-D collections. The injured spouse may also agree to voluntarily release the claim [to] of his or her portion of the joint refund to have it applied towards the child support obligation. This will result in an immediate distribution of the refund amount to the Title IV-D case. An injured spouse may request the release form from the Title IV-D agency, or may provide a notarized letter authorizing the release. The notarized letter shall set forth the injured spouse's name, the name of the obligor, and the obligor's CSED case number(s).

**D.** Bankruptcy cases: The Title IV-D agency will review the non-custodial party's bankruptcy case to determine what action, if any, the Title IV-D agency [may] should take [in regard to the non-custodial party's obligation to pay support. When the automatic stay, issued pursuant to Section 362 of the bankruptcy code, has been lifted or is no longer in effect with respect to the individual owing the obligation, and the obligation was not discharged by the bankruptcy proceeding, the case may be submitted for offset].

**E.** Notification of federal income tax offset:

(1) Written advance notice is sent to inform an obligor that the amount of his or her past due support will be referred to the secretary of the U.S. treasury for collection by federal tax refund offset and that any amounts collected will be applied towards his/her child support obligation. The notice shall be sent to the obligor's last address of record with the Title IV-D agency and shall inform the obligor:

(a) of the right to contest the department's determination that past due support is owed;

(b) of the right to contest the amount of past due support;

(c) of the right to request an administrative review;

(d) of the procedures and time frame for requesting an administrative review;

(e) notice will be provided to any individual who filed a joint return with the obligor, advising of the process for requesting his/her share of the refund; and

[(e)](f) that the U.S. treasury will notify the obligor's spouse at the time of offset regarding steps to take to protect the share of the refund that may be payable to that spouse.

(2) At the time the offset occurs, the secretary of the U.S. treasury will notify the obligor that the offset has been made. [In addition, notice will be provided to any individual who filed a joint return with the obligor, advising him or her of the steps to be taken in order to secure a proper share of the refund.]

**F.** Contesting referral for federal offset: The obligor has ~~[thirty (30)]~~ 30 days from the date of mailing of the notification of a referral for federal tax intercept to notify the Title IV-D agency that he or she contests the referral. The notification issued by the Title IV-D agency provides the obligor with the address and telephone number [to be contacted in order for the obligor] to request a hearing to contest the referral.

(1) Upon receipt of an appeal request from the obligor, a notice is generated by the administrative law judge and sent to the obligor and the Title IV-D agency.

(2) The notice shall set forth the time and place of the administrative hearing. The hearing is conducted in accordance with 8.50.130 NMAC.

(3) If the appeal request concerns a joint tax refund that has not yet been intercepted, the obligor is informed that the secretary of the U.S. treasury will notify the obligor's spouse at the time of offset regarding steps to take to secure his or her proper share of the refund.

(4) If the appeal concerns a joint tax refund which has already been offset, the obligor will be referred to the secretary of the U.S. treasury to address the refund due to the obligor's spouse.

(5) If the hearing decision results in a deletion or decrease in the amount referred for offset, the federal office of child support enforcement will be notified.

(6) If an amount which has already been offset is found to have exceeded the amount of past due support owed, steps to refund the excess amount to the obligor will be promptly taken.

**G.** Interstate cases: The following applies to the New Mexico Title IV-D agency when it is the state that submits a case for federal income tax offset. The obligor shall request an administrative review be conducted by the New Mexico Title IV-D agency. If the underlying order upon which the referral for federal income tax offset is based has not been issued by a New Mexico district court, within ~~[ten (10)]~~ 10 days of the receipt of the obligor's request for administrative review, the New Mexico Title IV-D agency must notify the Title IV-D agency in the state that referred the case to New Mexico of the obligor's request for administrative review. Within ~~[forty five (45)]~~ 45 days of receipt of the request for administrative review from the New Mexico Title IV-D agency, the Title IV-D agency in the state that referred the case to New Mexico should: (1) send notice to all appropriate parties setting

forth the time and place of the administrative review; and (2) conduct the review and render a decision. If the administrative review conducted by the Title IV-D agency in the other state results in a reduction or elimination of the amount referred for offset, the Title IV-D agency that conducted the administrative review should inform the New Mexico Title IV-D agency and the OCSE of the decision. The New Mexico Title IV-D agency shall be bound by the determination of the Title IV-D agency in the state that conducted the review.

**H.** Distribution of collections from federal income tax offset: Single filer federal tax refund offsets will be placed on hold for 30 days and joint filer federal tax refund offsets will be split in half and the obligor's portion will be placed on hold for 30 days and the injured spouse's portion will be placed on hold for 6 months. Past-due support amounts collected as a result of the federal income tax refund offset shall be distributed pursuant to 8.50.125.12 NMAC after the appropriate holds have elapsed. The obligor shall receive full credit for the entire amount of tax intercept that is applied to his or her case(s), including fees. Distribution of tax intercept money for obligors with multiple Title IV-D cases shall be in accordance with federal and state laws. If an offset is made to satisfy non-TANF past due support from a refund based upon a joint return, the Title IV-D agency may delay distribution until notified that the injured spouse's proper share of the refund has been paid or for a period not to exceed six months from notification of offset, whichever is shorter.

**I.** Fees: A non-TANF custodial party who has applied for Title IV-D services is assessed fees for the federal income tax refund. The fees are deducted from the tax refund when it is intercepted but are credited to the obligor's support payment.

(1) When the injured spouse [~~who has filed jointly~~] contacts the Title IV-D agency within the time required, no tax intercept hearing is held. Upon verification, the injured spouse's portion will be refunded as soon as the TRD money is posted to the case, and the obligor will not be given credit for the injured spouse's portion of the payment that is refunded.

(2) If the obligor's spouse files "married, but separated" the state taxation and revenue department does not honor this filing status for offset purposes and will offset the obligor's spouse's refund. In this instance, the injured spouse may contact the Title IV-D agency. Upon notification, the Title IV-D tax intercept unit will contact TRD to obtain verification and, upon obtaining verification, the Title IV-D agency will refund the spouse's portion of the offset to the injured spouse.

(3) If the injured spouse determines that he or she is entitled to more than one-half of the offset, he or she must notify the Title IV-D agency within [~~thirty (30)~~] 30 days of the date of mailing of the notice of offset that he or she wants an administrative hearing regarding the claim to a larger portion of the offset.

**F.** Distribution of collections from state income tax offset: State income tax offset collections will be placed on hold for thirty (30) days. After the [~~thirty (30)~~] 30 day hold, the state income tax offset monies will be applied as a regular payment and distributed as outlined in 8.50.125.11 NMAC. The obligor shall receive full credit for the entire amount of tax intercept that is applied to his or her case(s) including fees. Distribution of tax intercept money for obligors with multiple Title IV-D cases shall be in accordance with federal and state laws. If an offset is made to satisfy non-TANF past due support from a refund based upon a joint return, the Title IV-D agency may delay distribution of the injured spouse's share until notified that [~~the injured spouse's proper share of~~] the refund has been paid because of the injured spouse signed a release, or for a period not to exceed six [~~(6)~~] months from notification of offset, whichever is shorter.

**8.50.112.13 DENIAL OF PASSPORTS FOR NONPAYMENT OF CHILD SUPPORT:**

**A.** Referral for passport denial: The Title IV-D agency [~~certifies~~] submits the names of obligors who owe support arrears in excess of \$2,500 for inclusion in the OCSE database which is then sent to the U.S. department of state. The U. S. department of state denies passports to individuals whose name appears on the certified OCSE database of the OSCE as owing more than \$2,500 in arrears. Once the department of state identifies a passport applicant as owing money for child support, the applicant will be notified by letter that the issuance or renewal of the passport has been denied, pending satisfactory payment of money owed to the Title IV-D agency. After the applicant makes satisfactory payment arrangements with the Title IV-D agency, the IV-D agency shall request that OCSE remove the applicant's name from its database. The Title IV-D agency makes every effort in its negotiations to obtain a lump sum payment sufficient to satisfy the entire delinquency and arrears balances, including accrued interest.

**B.** Contesting referral for passport denial: The obligor has [~~thirty (30)~~] 30 days from the date of the notification of a referral for passport denial to notify the Title IV-D agency that he or she contests the referral. The notification sent to the obligor provides the address and telephone number for the obligor to contact the Title IV-D agency to request a hearing to appeal the referral.

(1) Upon receipt of an appeal request from the obligor, a notice is generated by the administrative law judge and sent to the obligor and the Title IV-D agency.

(2) The notice shall set forth the time and place of the administrative hearing. The hearing is conducted in accordance with 8.50.130 NMAC.

(3) If the case is a non-IV-A case, the Title IV-D agency shall send a copy of the notice to the custodial party.

**8.50.112.14 LOTTERY:** The Title IV-D agency and the lottery commission work cooperatively to intercept lottery winnings for debts collected by the Title IV-D agency.

A. State law authorizes the Title IV-D agency to place a lien on lottery winnings owed ~~(to)~~ by delinquent child support obligors. Lists of delinquent obligors are provided by the Title IV-D agency to the lottery commission who then compares the list with lottery winners claiming prizes of more than \$600. The lottery commission then notifies the Title IV-D agency of any matches. The Title IV-D agency must provide the lottery commission with verification of the support lien ~~[must be notified by the IV-D agency]~~ within five ~~(5)~~ business days ~~[with verification of the support lien]~~. The verification of the support lien will include a notice of administrative lien requesting the lottery commission ~~(to)~~ retain the funds for ~~[ninety (90)]~~ 90 days or until such time the administrative process is completed, so long as the process is completed within ~~[ninety (90)]~~ 90 days. If no delinquency exists, the notification will be a release of lien.

B. If the lottery winner is verified by the Title IV-D agency as owing a debt collected by the agency, the Title IV-D agency has ~~[ninety (90)]~~ 90 days to initiate an administrative action against the winner. The Title IV-D agency will notify the winner by mailing a copy of the notice of administrative lien to the obligor at ~~[their]~~ the last known address of record with the Title IV-D agency via registered mail. The notice of administrative lien will notify the obligor that he or she has ~~[fifteen (15)]~~ 15 days from the date of the notice to contest or appeal the administrative lien. The notification sent to the obligor provides the address and telephone number for the obligor to contact the Title IV-D agency to request a hearing to appeal the referral. If the obligor does not contest the notice of administrative lien within the required timeframe, a notice for release of funds to the Title IV-D agency is mailed to the lottery commission instructing it to forward the lottery winnings to the Title IV-D agency. If the obligor contests the notice of administrative lien and timely requests a hearing, an administrative hearing will be conducted in accordance with 8.50.130 NMAC.

C. If an administrative seizure proceeding is not initiated with the ninety-day period, the Lottery Commission shall release the prize payment to the winner. Section 6-24-22 et seq., NMSA 1978.

**8.50.112.15 GAMING:** The Title IV-D agency and the gaming board work cooperatively to intercept racetrack and/or gaming machine payouts for debts collected by the Title IV-D agency.

A. State law authorizes the Title IV-D agency to place a lien on delinquent obligor's gaming machine payouts~~[owed to delinquent obligors]~~. Lists of delinquent obligors are provided by the Title IV-D agency to the gaming control board on a monthly basis. The racetrack licensees research the names of winners of \$1,200 or more per payout against the list provided to the gaming control board by the Title IV-D agency. The racetrack licensee then notifies the Title IV-D agency of any matches. The Title IV-D agency must notify the racetrack licensee ~~[must be notified by the IV-D agency]~~ within seven ~~(7)~~ business days (excluding weekends and state holidays) and provide [with] verification of the support lien. If no delinquency exists, the Title IV-D agency will notify the racetrack licensee with a release of lien. If a delinquency exists, the verification of the support lien shall include a notice of administrative lien requesting the racetrack licensee to retain the gaming machine payout for ~~[ninety days (90)]~~ 90 days or until such time as the administrative process is completed, so long as the process is completed within ~~[ninety (90)]~~ 90 days. ~~[If no delinquency exists, the notification will be a release of lien.]~~

B. If the gaming machine winner is an obligor verified by the Title IV-D agency as owing a debt to or collected by the Title IV-D agency, the Title IV-D agency has ~~[ninety (90)]~~ 90 days to complete an administrative action against the winner, unless the winner agrees to an extension of the time ~~[limitations]~~ or the administrative law judge extends the time. The Title IV-D agency shall notify the winner by mailing a copy of the notice of administrative lien to the obligor at ~~[his or her]~~ the last known address of record with the Title IV-D agency via registered mail. The notice of administrative lien shall notify the obligor that he or she has ~~[fifteen (15)]~~ 15 days from the date of the receipt of the notice to contest or appeal the administrative lien. The notification sent to the obligor provides the address and telephone number ~~[of the obligor]~~ to contact the Title IV-D agency to request an appeal [hearing to appeal the referral]. If the obligor does not contest the notice of administrative lien within the required timeframe, a notice for release of funds ~~[to the IV-D agency]~~ is mailed to the racetrack licensee within five ~~(5)~~ [working] business days after the expiration of the obligor's deadline to request a timely hearing, instructing the racetrack licensee to forward the gaming machine payout to the Title IV-D agency. If the obligor contests the notice of administrative lien and timely requests a hearing, an administrative hearing will be conducted in

accordance with 8.50.130 NMAC. The Title IV-D agency shall notify the racetrack licensee within five ~~(5)~~ ~~[working]~~ business days of the ruling of any hearing held in accordance with this section.

**8.50.125.8 CHILD SUPPORT PAYMENTS:**

**A.** The Title IV-D agency has in effect procedures for the payment of support through the Title IV-D agency upon the request of either the non-custodial party or the custodial party, regardless of whether arrearages exist or withholding procedures have been instituted. The Title IV-D agency is designated to administer the state's withholding system. The Title IV-D agency monitors all amounts paid and the dates of payments and records them on an individual payment record. As a condition of receiving Title IV-D services and cooperating with the Title IV-D agency, recipients must submit to the Title IV-D agency child support received directly from the non-custodial party. If the recipient of title XIX (medicaid) services elects to receive medical support services only, the recipient of title XIX (medicaid) services may keep child support payments received directly from the payor.

**B.** All support payments disbursed by the Title IV-D agency shall be through electronic funds transfer (EFT). The custodial party must elect to receive the payments via direct deposit or a pre-paid debit card authorized by the Title IV-D agency. If a custodial party receiving support payments fails to choose either option at the time of application or when requested by the Title IV-D agency, he or she will automatically be enrolled in the Title IV-D authorized pre-paid debit card program. Exceptions to disbursements via EFT may be granted for exceptional circumstances. Those wishing to request an exemption should request an "EFT exemption form" from the Title IV-D agency. The form must be fully completed to include an explanation of the exceptional circumstances requiring an exemption from EFT. The Title IV-D agency will respond in writing either granting or denying the request for an exemption.

**8.50.125.10 COLLECTION OF FEES/RECOUPMENTS:** New Mexico is a cost recovery state, and other states' Title IV-D agencies have been notified of this fact. All fees charged to the custodial party are deducted from payments the IV-D agency distributes to the custodial party. The amount the Title IV-D agency deducts from each payment will not exceed ten percent of the total amount of the distribution. Once the percentage for the fee is deducted, the balance of the distribution is sent to the custodial party. Title IV-A, Title IV-E and medicaid-only (Title XIX) recipients are not charged any fees; federal regulations will not allow cost recovery on these cases.

**A.** Fee types and amounts:

- (2) the court orders a refund.

**C.** Fees are assessed to the custodial or non-custodial party requesting an action or service (i.e. establishment of paternity, modification or enforcement of support obligation) in a Title IV-D case in accordance with the fee schedule above. There will be a one-time establishment of support obligation fee and a one-time enforcement fee per case if a party requests these types of action. The IV-D agency will be responsible for the fee if the Title IV-D agency completes an enforcement action on behalf of solely the Title IV-D agency.

**D.** Genetic testing fees: See 8.50.107.12 NMAC in addition to the fee schedule listed above.

**E.** Recoupment: The IV-D agency will recoup from the custodial party for any over-distribution of funds and for any funds collected from the non-custodial party that are returned for insufficient funds. **8.50.125.11 DISTRIBUTION OF COLLECTIONS (EXCEPT FOR FEDERAL INCOME TAX REFUND OFFSETS):** Specific terms used in this section are derived from 42 USC 657 and 45 CFR § 300 through 303.

**A.** In accordance with federal regulations, for purposes of distribution in a Title IV-D case, amounts collected, except for amounts collected through federal income tax refund offset, must be distributed as follows:

- (1) current support (monthly payment ordered for current support);
- (2) past due support (monthly payment on judgment);
- (3) current support arrears;
- (4) past due support arrears;
- (5) in each of the categories above, the payment is prioritized in the following order: child support, medical support, spousal support; any payment that is insufficient to meet the entire obligation will be applied in the order stated above.

**B.** The requirement to apply collections first to satisfy the current support obligation is critical in all Title IV-D cases to ensure that payment records are consistent in interstate cases, regardless of whether the amount

applied to current support is paid to the family (as in a former assistance case) or retained by the state to recover unreimbursed assistance in a current assistance case.

**C.** Current assistance cases: The state will (not exceeding the cumulative amount of unreimbursed assistance paid to the family):

- (1) pay to the federal government the federal share of the entire amount collected;
- (2) retain the state share of the amount collected; and
- (3) reduce the cumulative amount of unreimbursed assistance by the total amount collected

and disbursed under Paragraphs (1) and (2) of this section, and distribute collections exceeding the cumulative amount of unreimbursed assistance to the family.

**D.** Federal statute does not specify the order in which collections are applied to satisfy assigned arrearages in current assistance cases. The state of New Mexico has selected the following option:

- (1) collections will be first applied to temporarily assigned arrearages; and
- (2) additional collections will be applied to permanently assigned arrearages.

**E.** Pass through payment: At the discretion of the New Mexico legislature, the Title IV-D agency may disburse a maximum amount determined on a monthly basis (refer to disregard for child support payments in 8.102.520.9 NMAC for maximum amount), to the Title IV-A service recipient from collections on current support. Under no circumstances is a current or former IV-A recipient entitled to receive said amount as part of the arrearages owed to him or her. The disbursement to the custodial party, up to the maximum amount, shall only be made if the recipient is currently receiving TANF and the Title IV-D agency collects a payment from the non-custodial party. If the non-custodial party pays less than the maximum amount allowed to pass through, the custodial party shall only receive the amount of the payment collected. Neither the Title IV-D agency nor the Title IV-A agency will pay the difference to the custodial party between the maximum pass through amount and the amount paid by the non-custodial party. If the custodial party has more than one Title IV-D case, he or she will only receive the lower of the amount of the maximum disregard or the current monthly collection received on all cases. A pass through payment is in addition to, not in lieu of, the monthly TANF payment.

**F.** Former assistance cases: For collections made prior to October 1, 1998 (other than through federal income tax refund offset), the state shall:

- (1) first, distribute the amount collected to satisfy the current monthly support obligation and pay that amount to the family;
- (2) second, distribute any amount above the current monthly support obligation to arrearages owed to the family or assigned to the state; the federal statute does not specify the order in which collections are applied to satisfy arrearages; the state must have procedures that specify the order in which assigned arrearages will be satisfied; if the state distributes any amount to assigned arrearages, the state must pay to the federal government the federal share of the amount so collected; the state must retain the state share of the amount so collected, with one exception; the state may retain or pay to the family the state share of collections applied to arrearages that accrued while the family was receiving assistance after October 1, 1996.

**G.** For collections made on or after October 1, 1998, or earlier at state option (other than collections through federal income tax refund offset), the state shall:

- (1) distribute the amount collected to satisfy the current monthly support obligation and pay that amount to the family;
- (2) distribute any amount above the current monthly support obligation to satisfy never-assigned arrearages and pay that amount to the family;
- (3) distribute any amount above amounts distributed in Paragraphs (1) and (2) of this section to satisfy unassigned pre-assistance arrearages and conditionally-assigned arrearages and pay that amount to the family;
- (4) distribute any amount above amounts distributed in Paragraphs (1), (2) and (3) of this section to satisfy permanently-assigned arrearages; the state must pay the federal government the federal share of the amount so collected; the state must retain the state share of the amount so collected with one exception; the state may retain or pay to the family the state share of collections applied to arrearages that accrued while the family was receiving assistance after October 1, 1996;

(5) reduce the cumulative amount of unreimbursed assistance by the total amount distributed under four, distribute collections exceeding the cumulative amount of unreimbursed assistance to satisfy unassigned during-assistance arrearages and pay those amounts to the family.

**H.** Never-assistance cases: All support collections in never-assistance cases must be paid (less any applicable fees) to the family.

**I.** Collected funds will be distributed to the resident parent, legal guardian, caretaker relative having custody of or responsibility for the child or children, judicially-appointed conservator with a legal and fiduciary duty to the custodial parent and the child, or alternate caretaker designated in a record by the custodial parent. An alternate caretaker is a nonrelative caretaker who is designated in a record by the custodial parent to take care of the children for a temporary time period.

**J.** When the non-custodial parent has multiple cases with the Title IV-D agency, payments received from the non-custodial parent through wage withholding shall be distributed among all active cases on a pro-rata basis determined by the total amount of all monthly support obligations. Payments received through administrative enforcement mechanisms shall be distributed among multiple cases on a pro-rata split based on the total amount of arrearages owed at the time of the referral for administrative enforcement, except for reinstatement of license(s). Payments received for the reinstatement of licenses will be applied to the specific case(s) rather than split among multiple cases. Any other direct payments made by the non-custodial parent will be divided among all active cases involving the non-custodial parent in amounts as directed by the non-custodial parent.

**8.50.125.12 DISTRIBUTION OF COLLECTIONS THROUGH FEDERAL INCOME TAX REFUND OFFSET:** Any amount of support collected through federal income tax refund offset will be retained by the state to the extent past-due support has been assigned to the state up to the amount necessary to reimburse the state for cumulative amounts paid to the family as assistance by the state. The state will pay to the federal government the federal share of the amounts so retained. To the extent the amount collected exceeds the amount required to be retained, the state will pay the excess to the family.

**A.** Current assistance cases: Support collections through federal income tax refund offsets in current assistance cases are retained by the state up to the cumulative amount of unreimbursed assistance paid to the family. Collections over and above the cumulative amount of unreimbursed assistance are paid to the family.

**B.** Former assistance cases: Support collections made through federal income tax refund offsets in former assistance cases shall first be applied to assigned arrearages. This includes any conditionally-assigned arrearages. These collections shall be retained by the state up to the cumulative amount of unreimbursed assistance paid to the family. Collections over and above the cumulative amount of unreimbursed assistance are paid to the family.

**C.** Never-assistance cases: Support collections through federal income tax refund offsets in non-assistance cases are paid to the family.

**8.50.125.14 ASSIGNED MEDICAL SUPPORT COLLECTIONS:** Any amounts collected by the Title IV-D agency that represent specific dollar amounts designated in the support order for medical purposes that have been assigned to the state will be forwarded to the medicaid agency for distribution. When a family ceases receiving assistance under the state's Title XIX (medicaid) plan, the assignment of medical support rights under section 1912 of the act terminates, except for the amount of any unpaid medical support obligation that has accrued under such assignment. The Title IV-D agency will attempt to collect any unpaid specific dollar amounts designated in the support order for medical support purposes. Under this requirement, any medical support collection made by the Title IV-D agency will be forwarded to the medicaid agency for distribution.

**8.50.125.15 CHILD LEVEL ACCOUNTING:** An application for public assistance by any person constitutes an assignment by operation of law of any support rights the person is entitled to from any other person, whether the support rights are owed to the applicant or to any family member for whom the applicant is applying for or receiving assistance. Therefore, in current or former assistance cases, the Title IV-D agency may not use child-level accounting by splitting or pro-rating the family grant amount on a per-child basis when the child is (or was) included in the family unit and must continue to apply collections to the cumulative amount of unreimbursed assistance balances based on the total monthly family grant amount.

**8.50.125.16 CHILD SUPPORT RECEIVED DIRECTLY FROM PAYORS:** As a condition of receiving Title IV-D services, all recipients must submit to the Title IV-D agency all court ordered, voluntary agreement and voluntary contribution child support directly received from the non-custodial party. Failure to cooperate with this requirement may constitute cause for closing the Title IV-D case for non-cooperation. If the recipient of Title IV-D services elects to receive medical support services only, the recipient of Title IV-D services may keep child support payments received directly from the payor.

**8.50.125.17 CHILD SUPPORT COLLECTED FOR MEDICAID REFERRALS:** A medicaid only recipient, for whom an assignment of support rights is in effect, must receive medical support services but may choose to receive full services. If the recipient elects to receive full services, the recipient is required to turn over all child support received, to be distributed in accordance with federal and state regulations. If the recipient elects to receive only medical support services, the recipient may keep child support payments received directly from the payor.

**8.50.125.18 CHILD SUPPORT CASE SERVICES:** The Title IV-D agency provides two types of case services: full service and payment processing only.

**A.** Full services cases: Recipients of IV-A services are automatically enrolled for full services and recipients of ~~title~~Title XIX may elect to receive full services for all support or solely for medical support. Full services cases include all services listed below as specific services may not be selected. Applicants not receiving any type of public assistance may also request full services that include:

- (1) establishment of paternity;
- (2) establishment of a child support, medical support order, or both;
- (3) enforcement of a child support orders, spousal support orders (so long as there is a current order for child support), and medical support orders;

- (6) modification of child support orders, if appropriate.

**B.** Payment processing only cases: A custodial party currently receiving full services from the Title IV-D agency or opening a new case with the Title IV-D agency may elect to receive payment processing only services so long as he/she is not currently receiving public assistance (Title IV-A or Title XIX) and does not have an outstanding balance of arrears owed to the state for prior public assistance. Payment processing only services are charged an annual fee as stated in section 10, above. In order to receive payment processing only services, the custodial party must produce a valid court order (either issued by or registered by a court in New Mexico) for a support obligation that contains an income withholding provision or a copy of an income withholding order indicating that payments are to be sent to the Title IV-D agency.

- (1) The Title IV-D agency is not responsible for:

**8.50.125.19 ISSUANCE OF REPLACEMENT WARRANTS:** If a custodial party or non-custodial parent claims that a warrant issued to him or her has not been received, a replacement warrant shall be issued only if the original warrant has not been redeemed or at the discretion of the Title IV-D agency. If the Title IV-D agency

determines that a replacement warrant will be issued, any warrants that were fraudulently redeemed shall be reported by the intended recipient to the proper authorities as a pre-condition for the issuance of a replacement warrant. An unredeemed warrant is subject to the undistributed collections process, see 8.50.132 NMAC. The Title IV-D agency will replace a warrant that it can confirm was not redeemed and has not escheated to the Title IV-D agency through the undistributed collections process. If the Title IV-D agency is unable to confirm that a warrant has been redeemed due to the length of time that has passed since the warrant was issued, the Title IV-D agency will deny the request for a replacement warrant.
