V. BACKGROUND SUMMARY

The Human Services Department (the Department), through the Medical Assistance Division (MAD), is proposing to amend the New Mexico Administrative Code (NMAC) rule 8.314.3 NMAC, *Medically Fragile Home and Community-Based Services*.

On February 1, 2017, the Department received approval from the Centers for Medicare and Medicaid Services (CMS) to renew its New Mexico Medically Fragile 1915 (c) Home and Community-Based (HCBS) Waiver with an effective date of July 1, 2016. This rule is being amended to align services and definitions with the approved Medically Fragile Waiver and the CMS HCBS Settings Final Rule.

Throughout the rule:

1. Adds language to ensure that services are provided in accordance with the CMS HCBS Setting Final Rule. Services covered under the Medically Fragile Waiver program must ensure the recipient's right to privacy, dignity, and respect. Further, services must ensure the recipient's right to freedom from coercion and restraint.
2. Updates and standardizes language and acronyms with other New Mexico Medicaid programs.

Section 7

Definitions applicable to the Medically Fragile Waiver program are added to this section.

Section 8

This section is updated to align the program mission statement with the Human Services Department mission statement.

Section 9

This section is updated to clarify that services are provided for individuals diagnosed with a medically fragile condition before the age of 22 and who require the same level of care as those in an intermediate care facility for individuals with intellectual disabilities (ICF/IID).

Section 10

Subsection H – the list of allowed licenses is updated for behavior support providers to align with the approved Medically Fragile 1915(c) waiver.

Subsection I – removed institutional respite as a covered service and updated the respite service to clarify that respite may be provided in the participant’s home or private place of residence, the private residence of a respite care provider, or specialized foster care home to align with the approved Medically Fragile Waiver. The final approval of where respite services are provided is made by the participant or the participant’s representative.

Section 11

This section has been updated to clarify provider responsibility to comply with all federal and state laws, regulations, rules, executive orders provider agreements, and service standards.

Section 12

This section is updated to reflect that enrollment is contingent upon the applicant meeting eligibility requirements and the availability of funding as approved by the New Mexico legislature, and the number of federally authorized unduplicated eligible recipients.

Section 13

This section is updated to align with the CMS HCBS Final Settings Rule. Language has been added clarifying the recipient’s right to privacy, dignity, and respect as well as freedom from coercion and restraint.

Subsection B – language is added that home health aide services are provided in the eligible recipient’s own home or in the community.

Subsection C – language clarifies that private duty nursing is provided in the recipient’s own home.

Subsection F – institutional respite is removed as a covered service to align with the approved Medically Fragile 1915(c) waiver. Language is added to clarify that respite may be provided in the eligible recipient’s home and that the participant has the option to give final approval of where respite services will be provided. Limitation of respite service to 14 days or 336 hours per budget year is added to align with the approved Medically Fragile 1915(c) waiver.

Subsection H – language is added requiring that specialized medical equipment meets applicable standards of manufacture, design, and installation. Clarification added that medical equipment and supplies that are furnished by the Medicaid state plan are not covered under this service.

Section 18

A recipient's right to a HSD administrative hearing is added to this rule to align with the approved Medically Fragile 1915(c) waiver and Code of Federal Regulations (CFR). This section outlines the circumstances under which a recipient has the right to request a fair hearing.
