What is SNAP?

The Supplemental Nutrition Assistance Program (SNAP) provides monthly benefits to individuals and families to buy food at grocery stores, farmers markets, and other locations. If you're 60+ or disabled, you may be eligible for increased benefits and simplified application processes!

NEW! SNAP Benefit Increase for Elderly & Disabled Households

Higher Minimum Benefit: Now, elderly and disabled households who qualify for SNAP will receive a minimum \$100 benefit per month—a big increase from the previous \$32 minimum!

Who Qualifies?

- Households where all members are elderly (60+) and/or disabled.

NEW! Elderly/Disabled Simplified Application Project (ESAP)

Less Frequent Recertifications: No more annual renewals! You only need to recertify every 36 months (3 years), instead of every year.

Easy Yearly Updates: Each year, you'll receive a notice from the HCA. If nothing in your household has changed, no action is needed until it's time to recertify at the end of the 36 months!

Hassle-Free Recertification: 45 days before your 36-month certification ends, you'll get a reminder from the HCA to recertify and continue your benefits.
