Written comment:

The Proposed rule states that 8.139.502.8 and 8.139.502.9 will be updated “Food Stamp” to “SNAP”. However, this is only being updated in the title of each section. We would like to propose that all language within 8.139.502.8 and 8.139.502.9 be updated. This will include the following:
8.139.502.8 A-D and 8.139.502.9 A-E
