Apply For Benefits

▲ Before You Get Started On Your Application, There Are A Few Things You Should Know:

This online application can only be used to apply for:

- Food Assistance (SNAP)
- Cash Assistance
- Medical Assistance
- Energy Assistance (LIHEAP)

Applications for Human Services Department (HSD) programs can be found at <http://www.hsd.state.nm.us/isd>.

If you are already getting benefits from HSD, you can still use the application in YES New Mexico to apply for other programs.

If you do not qualify for full coverage Medicaid, your application will be referred to the NM Health Insurance Exchange where eligibility for other health insurance affordability programs will be determined.

▲ Your Benefit Dates Are Calculated As Below:

will be determined.

Your Benefit Dates Are Calculated As Below:

- **Food Assistance (SNAP)** - From the date you applied.
- **Cash Assistance** - On the date HSD approves your application or the 30th day from the date of application, whichever is earlier.
- **Medical Assistance** - From the 1st day of month you applied. You may be eligible for up to 3 prior months of Medicaid coverage. SCI coverage begins the month after you are approved and enrolled in a health plan.
- **Energy Assistance (LIHEAP)** - On the date HSD verifies your account with your energy provider.

Adults getting TANF Cash Assistance will be required to work or participate in approved activities, as per program guidelines.

Expedited Food Assistance (SNAP) Program (Seven-Day Processing)

Your household may qualify for seven-day processing of your Food Assistance application if:

- You have less than \$150 in monthly gross income and \$100 or less in liquid assets (cash on hand, checking or savings accounts, savings certificates), or
- Your combined gross income and liquid assets are less than your monthly rent and/or mortgage payment plus heat and utilities, or
- If you are a migrant or seasonal farm worker with very little money.

▲ We Must Make Timely Decisions To Approve Or Deny Your Application. Below Are The Processing Standards We Follow:

- **Food Assistance (SNAP)** - No later than 30 calendar days after the date of application, or expedited Food Assistance - 7 calendar days
- **Cash Assistance** - No later than 30 calendar days after the date of application, or up to 90 days for General Assistance disability decisions
- **Medical Assistance** - No later than 45 calendar days after the date of application or up 90 days if disability must be determined
- **Energy Assistance (LIHEAP)** - No later than 30 calendar days after the date of application, or shut-off/disconnect crisis - 48 hours

In this application, we will ask you questions about the people in your home, your money and your bills. To answer these questions, it is a good idea to have your pay stubs or benefit check stubs with you, as well as the bills you pay each month for housing, utilities and child care. If you would like to see a list of the items you may want to gather before you start your application, [click here](#).

Once you finish answering these questions and submit your application, it will be sent to a ISD Office. For SNAP and Medical benefits, you have the right to have another person apply for benefits for you. This person is called your authorized representative. You will have a chance to appoint a representative later in this application.

Before you can get benefits, ISD may need to get proof of some of the answers you have given. Some programs will require you to talk with a worker over the phone. Some cash programs may need you to come into the office for an in-person interview. A ISD Office will call you or send a letter about this.

If you have not used a computer very much and would like to practice before you get started, [click here](#).

NOTE: If you prefer, you can request an in-person interview.

Apply For Benefits: A Few Things You Should Know

Before you get started on your application, it is a good idea to gather the information listed below. Having this information will help you answer the questions in the application. The more complete your application is when you submit it, the faster a specialist will be able to process it.

Full names, dates of birth, and Social Security numbers (SSN) for the people who are applying for benefits.

If you have children in your home whose mother or father is not living with them, the names of those non-custodial parents.

If someone in your home is disabled or blind, we need to know whether the person has received an official decision from the Social Security Administration that they are disabled or blind. We will also ask for the dates the person became disabled or blind.

If someone is working you will need to get that person's pay check stubs for their job(s). We will be asking how much each person makes at their job, how often they get paid, and how many hours they work.

Benefit check stubs or award letters for types of income like Social Security, Supplemental Security Income (SSI) or Child Support. We will ask when these types of benefits started, how much they get paid, and how often they get paid.

If someone is self-employed, last year's tax return for their self-employment (if they filed taxes for the business). Otherwise, try to gather information about their income and expenses for the business.

Information about the expenses you pay. For example:

- How much you pay each month for housing (things like rent, lot rent, mortgage, property taxes, homeowner's insurance, or mobile home loan payments).
- How much you pay each month for utilities (things like utility installation (not deposits) and septic and/or water well installation or maintenance).

If you pay for someone's care (for example, child care for your children), how much you pay and who provides the care.

To submit your application for Cash, Medical, Energy, or Food Assistance right away, click on the "Save

Your application will be sent to an ISD office with only the information you have entered. You will still need to provide additional information and you will not be able to use YESNM to change your answers or add information to your application. A caseworker will contact you to gather all of the other information that we will need to make a decision. Not completing the entire application may increase the time before ISD can determine if you are eligible and therefore delay benefits if you are approved. Keep in mind that if you do not have a way to get the information we have asked for, a caseworker may be able to help you get it.

About You

Getting Started

i To submit your application, you only need to enter your name and address below. To speed up the processing of your application, it is best to enter as much information as you can. If any information we need to process your application has not been entered, you will be contacted by your local ISD office.

i If you need help filling in this application or in getting the needed information, contact your local ISD office. If you are applying for someone else, complete this section for that person.

i You do not need to be a U.S. Citizen to apply. Receiving SNAP/food, energy or medical assistance will not prevent you from becoming a lawful permanent resident or U.S. Citizen. Non-citizen immigrants not requesting assistance for themselves do not need to give immigration status information, Social Security Numbers, or other similar proofs; however, they must give proof of income and things they own because part of their income and things they own may count towards the household's eligibility for assistance. Certain benefits may be available for people without a Social Security Number; ask ISD.

Let's get started on the application! First, please give us some basic information about you.

Getting Faster Service For Food Assistance Program

i Some people may be able to get Food Assistance benefits about a week after they apply. The questions on this page will help us see if you can get this faster service. If you are unsure of the exact amount for any of these questions, please just provide your best estimate.

Have you received Food Assistance benefits or Food Stamps this month?

Yes No

If yes, are you living in a shelter for battered women?

Yes No

What is the total amount of money the people in your home will get this month?

We need to know the total gross monthly income, which is the amount before taxes or anything else is taken out of your household's paychecks or benefit checks.

\$0.00

i Please be sure to count all income from jobs and sources other than jobs, such as Social Security, unemployment, child support or money given to you by family and/or friends. Be sure to count all income that comes in during this calendar month, even if the source of the income (like a job or benefit payment) has stopped, and/or your family or friend is no longer giving you money.

What is the total value of any assets that belong to the people in your home?

By assets, we mean things like cash you are saving at home, checking and saving accounts.

\$0.00
