# NEW MEXICO BRAIN INJURY SERVICES FUND (BISF) PROGRAM

## HUMAN SERVICES DEPARTMENT

Medical Assistance Division

### APPLICATION

Short-Term Brain Injury Services

#### STEPS TO APPLY FOR BRAIN INJURY SERVICES THROUGH THE BRAIN INJURY SERVICES FUND (BISF) PROGRAM

1. Please see the Tip Sheet on page 11 to learn about the Brain Injury Services Fund (BISF) Program. To receive help, you must be a New Mexico resident and have a confirmed diagnosis of brain injury.
2. **Pages 1 – 3:** Fill in answers to the questions on *pages 1 and 2* and sign. Do NOT fill in *page 3*, "TO BE COMPLETED BY SERVICE COORDINATOR ONLY."
3. **Pages 4 and 5:** Fill in the "Release of Information", and sign.
4. **Pages 6 and 7:** Fill in page 6, "Assurances", and sign. Fill in and sign the "Residency Affidavit" on *page 7*, only if you are a NM resident.
5. **Pages 8 - 10:** On *page 8*, fill in your name and the name of the doctor or psychologist, who knows about your brain injury. Take these pages to the doctor or psychologist, who knows about your brain injury. Ask them to read *pages 8 - 10* and fill in *page 9*. They can give the form back to you to give to the Service Coordination Agency (SCA) you want to work with in your region. Or they can mail it or fax it to the SCA. (See *page 10* for the agencies in your region.) If you are approved, the SCA will help decide the services that will help. Be sure to sign all the pages you are asked to sign. This will help with the process.
6. **Submit your application:** Mail, fax or drop off all pages to your SCA. (See *page 10*). If you have questions, you may call the NM Brain Injury Resource Center at 1-844-366-2472.

"I, the undersigned, hereby give those listed in **Section A** the right to share some protected health information (PHI) about my Brain Injury. They can share it with the New Mexico Human Services Department (HSD) / Medical Assistance Division's **Brain Injury Services Fund (BISF) Program**. This allows them to give my PHI to the Service Coordination Agency (SCA) that I have checked in **Section B**. This SCA needs this to see if I qualify for the BISF Program. It also lets the SCA get me the help I need. I know that HSD and all of those involved in my care will need to know my PHI, so that I can get the help and services I need."

"I also allow the BISF Provider, noted in **Section B**, to have, use, and/or share the PHI. I may be referred to the Program's "Fiscal Intermediary Agent", or "FIA", to help me get services I need. The FIA also needs the PHI to pay for the services I need. So, I allow my BISF SCA to share my PHI with the FIA listed in **Section C**. I know that the PHI shared between BISF Service Providers has to do with my Brain Injury and the services I get through the BISF Program."

"The health provider's that I list in **Section A** will only share the information shown. All PHI that is shared for my services will stay private."

**Section A: Please check the records you wish to share.** Also note the time period for any of these records. Or write, "All dates of service".

**Section C: Check the Statewide Fiscal Intermediary Agency if you wish to receive Home and Community Based Services.**

This is the agency that pays for the services and goods you may get through the BISF Program. NOTE: The BISF Program does not recognize or allow payment for services through other agencies that claim to have a fiscal agent role. Staying in the BISF Program is not allowed for those whose Home and Community Based Services are covered through other payer sources. These could be State Medicaid programs, Medicare, private insurance, I.H.S, VA or any programs in which the individual is voluntarily enrolled.

I know that I can look at the PHI that will be shared. I can also ask my SCA for a copy of this release any time. I can take back this permission at any time. To do so, I must tell the SCA in writing. This will not apply to what my BISF Service Providers have done or need to do to close my case and pay for services I have used. I also know that my PHI may not be protected by federal law. The doctors, BISF Providers and any of their employees who share my PHI will not be blamed or held at fault for sharing my PHI. I know that it allows everyone to do their jobs to meet my needs.

Note to Applicant: The letter on the page 8 is addressed to the Medical Provider who will be providing a code that says you have a brain injury. It gives the doctor or psychologist some information about the BISF Program and asks them to give the Program a code that will help you get the services you need.

The form on page 9 is also for your Medical Provider. This is where the doctor or psychologist will give codes that may allow you to receive help from the BISF Program.

If you have any questions about the letter on page 8, the form on page 9, or about where the form needs to go (page 10), you may call the HSD BISF Program Manager at 505-827-7218.

## NEW MEXICO BRAIN INJURY SERVICES FUND PROGRAM

HUMAN SERVICES DEPARTMENT  
Medical Assistance Division

***Letter to Medical Provider***  
***Request for Documentation of Brain Injury Diagnosis***  
***May be completed with the assistance of a Service Coordinator.***

Date: \_\_\_\_\_

Dear Dr.: \_\_\_\_\_

Your patient, (print name) \_\_\_\_\_, who resides in \_\_\_\_\_ County, has applied for services from the **NEW MEXICO BRAIN INJURY SERVICES FUND (BISF) PROGRAM** with (fill in name of Service Coordination Agency) \_\_\_\_\_, which provides short-term services to individuals with a confirmed diagnosis of BRAIN INJURY and who have crisis needs. Your patient has completed a RELEASE OF INFORMATION to allow his/her BISF Service Coordinator to receive information from you about his/her brain injury (see page 4-5). Your assistance in qualifying your patient for BISF services is needed.

Please supply this patient or your patient's BISF Service Coordinator documentation of his/her brain injury. Attached to this application is the **Confirmation of ICD-10 Code Form**. The code(s) supplied must support a qualifying diagnosis for **Traumatic Brain Injury (TBI) and/or other Acquired Brain Injuries, such as stroke, aneurysm/vascular lesions of the brain, brain tumor, anoxia, brain infections, lightning/electrical shock, exposure to toxic or chemical substances, and shaken baby syndrome**. The BISF Program will determine if the code(s) supplied qualifies the individual for short-term services. Please fill out this form and return to the Service Coordination Agency noted above, using the contact information noted on page 10. Alternatively, a brief letter, signed by you, stating that this patient has a Brain Injury diagnosis, including the specific qualifying ICD-10 code(s), and information about when and how the Brain Injury was acquired, will suffice. If you have any questions about this matter, please refer to the information in this packet, which your patient received from the BISF Program. If you need further clarification, please feel free to call me at (505) 827-7218.

We understand that your time is very important and thank you for your help in qualifying your patient for the BISF Program. Since this is a short-term program, your timely response is critical in putting your patient's services in place.

Sincerely,

A handwritten signature in blue ink, appearing to read "Linda Gillet".

Signature: \_\_\_\_\_  
**BISF Service Coordinator- verifying approved ICD-10 code**

Date: \_\_\_\_\_

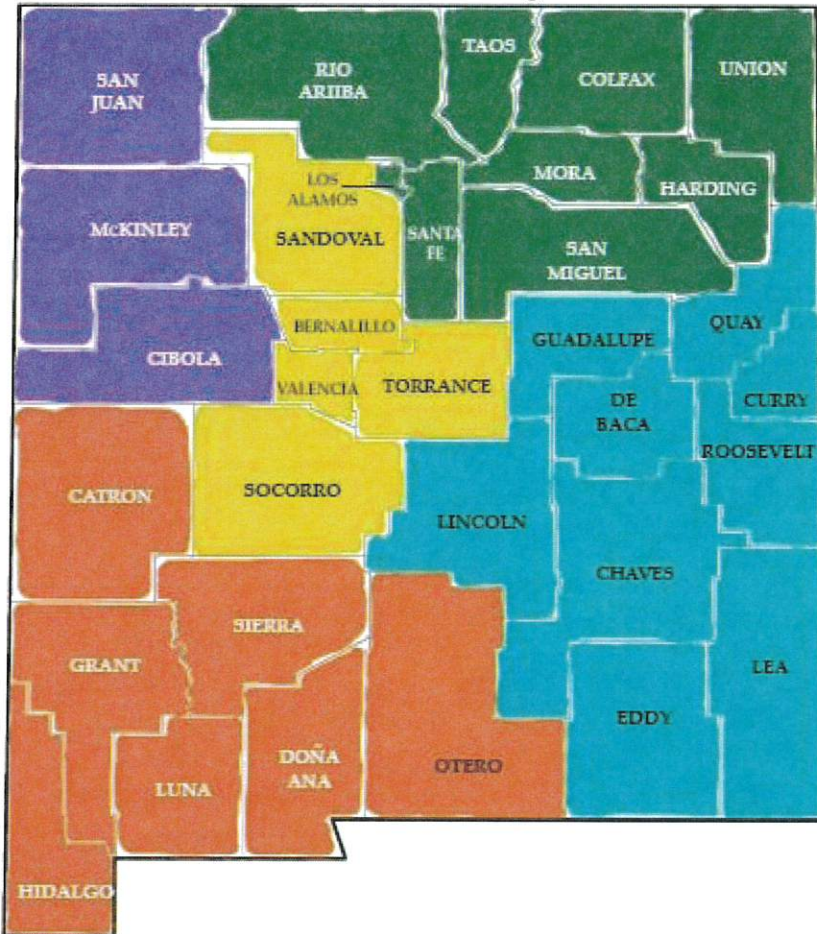

**Note to the Medical Professional Completing this Form:**

A confirmation of a qualifying Brain Injury ICD-10 code is required by the Human Services Department for all those receiving Injury services from the BISF Program. Applicants, who do not have a confirmed and appropriate Brain Injury ICD-10 code, are not eligible to receive BISF services.

In order for your patient to receive BISF services, the code(s) supplied must support a qualifying diagnosis for **Traumatic Brain Injury (TBI) and/or other Acquired Brain Injuries, such as stroke, aneurysm/vascular lesions of the brain, brain tumor, anoxia, brain infections, lightning/electrical shock, exposure to toxic or chemical substances, and shaken baby syndrome.**

The BISF Program will determine if the code(s) supplied qualifies the individual for short-term services. Please fill out this form and return to the Service Coordination Agency for the region in which your patient resides, as noted on Page 10.

# Brain Injury Services Fund (BISF) Program

(Short-Term Services for People Who Live with Brain Injury)

## TIP SHEET

Revised July 2019

### What is the Brain Injury Services Fund (BISF) Program?

This program is paid for by a \$5 fee that is added to traffic tickets. The Program is for those who want to live on their own in their homes and communities with the least amount of help. It gives short-term aid to people with brain injury at times of crisis, meaning their needs have become urgent, and there is no other way to pay for the help that is needed. The types of brain injury that qualify a person include traumatic brain injury, stroke, aneurysm, vascular lesions, brain tumor or anoxia. They also include damage from brain infections, lightning strike, electrical shock, or exposure to toxic or chemical substances. The BISF Program offers Service Coordination and BISF Home and Community Based Services (HCBS). You can find more details about each of these services below. Those who qualify get their help and services without any cost to them.

### Can you get help from the BISF Program?

The BISF Program can give help to NM residents who have a diagnosis of brain injury and who have a crisis because they have a brain injury. The diagnosis must come from a doctor, doctor's assistant, nurse practitioner, or psychologist. The BISF Program can help anyone who cannot get full Medicaid benefits. It can only help those who have no other way to pay for the services they need. The BISF Program is *not an entitlement program*. This means that not everyone living with a brain injury can get the Program's help. All services are given to help end the person's crisis, and they stop when the crisis is resolved. For example, a person can get assistance with homecare, until another payer source is found. Anyone who leaves the Program because their crisis was resolved, can return to the Program, if they have a new crisis or new needs.

### What services are available?

**Service Coordination** – Those who wish to get help to resolve a crisis come in through the Service Coordination Agency (SCA) in the region where they live (see list at right). The SCA decides who can get help and they will assess the person's needs. They help find services and resources that will resolve the crisis and help the person live more independently at home and as part of the community. BISF Service Coordination is not "case management", and it is not available to coordinate or monitor services that come from other payer sources.

**Home and Community Based Services (HCBS)**- The Program can pay for any services that are needed to help resolve a crisis, until other payer sources can be found. HCBS are accessed through a Service Coordination referral to the BISF Program's fiscal agent. The fiscal agent pays for any needed services and goods. *There is a choice of providers for all BISF HCBS.* Funds may be used to pay for home health care, homemaker services, or respite care. They can also cover copays for outpatient mental health, therapies (traditional and alternative), doctor visits and medications related to the brain injury. They can pay for treatment-related transportation, special equipment, communication or assistive devices, durable medical goods, professional life skills coaching, organizer services. They can help with emergency housing needs or assist in making it easier for a person to function in their own home. Funds are for help that is needed due to the brain injury and may or may not be available for all services at the time of request.

### How to Apply:

Please call the Service Coordination Agency in the region where you live. These agencies are listed to the right and they can help you learn more about the Program and how to apply. A choice of Service Coordination Agencies is available in the Metro and Northeast regions.

### For Information, Referrals and Resources:

Please call the NM Brain Injury Resource Center at ARCA at 1-844-3NM-BIRC. You can visit their website at <https://www.arcaopeningdoors.org/services/new-mexico-brain-injury-resource-center/>; or visit the Brain Injury Community Center at 1504 4<sup>th</sup> St NW, Albuquerque, NM 87102. If you are in need of long-term help, call the Aging and Disability Resource Center at 800-432-2080. They will put you on the Central Registry.
