V. BACKGROUND

Each year the Department is required to make changes to the Supplemental Nutrition Assistance Program (SNAP), New Mexico Works (NMW), Education Works and General Assistance Programs income limits for participation, income eligibility standards, resource eligibility standards and deductions available to otherwise eligible households. These amounts are determined by United States Department of Agriculture (USDA), Food and Nutrition Services (FNS).

The Department received notification of the adjusted amounts on July 27, 2018, and implemented the emergency rule effective for benefit month October 2018. The Department provided the Food and Nutrition Service (FNS) website as well as the Department of Human Services website as part of the regulations to reference the change made every October 1.

The emergency rule does not permanently amend or repeal the existing rule and will only remain in effect until a permanent rule takes effect under normal rule making process.

Concise Explanatory Statement:

Regulations issued pursuant to the act are contained in 45 CFR Parts 200-299. Administration of the Human Services Department (HSD), including its authority to promulgate regulations, is governed by Chapter 9, Article 8, NMSA 1978 (Repl. 1983). The Department must promulgate these rules in order to be in compliance with Federal law. The Department provided the Food and Nutrition Service (FNS) website as well as the Department of Human Services website as part of the regulations to reference the change made every October 1.
