RE: Selection of New County Director for Deming ISD
DATE: November 25, 2013

I would like to announce the selection of the new County Director for the Deming ISD office.

Isela Jaquez started her career with Human Services Department in March 2001 as an Administrative Support Worker for CSED and then promoted to a CSLA – Operational in September 2004. She did a short stint as a Computer Support Specialist in May 2005 in Santa Fe and then returned to CSED in Las Cruces in August 2006. She was promoted in January 2007 to a CSLA – Advanced. In June 2007, she change office locations to Alamogordo and then later in October 2008 was promoted to Line Manager. In December 2008, she became the acting County Director until she transferred to the Income Support Division in December 2012 where she has been holding the position as Line Manager. Isela holds 2 Associates Degrees, 1 in Applied Science and the other in Secretarial Administration. Isela has been very instrumental in ensuring the Lincoln County office was prepared for the ASPEN system. She has been invaluable in ensuring that both the process model and ASPEN system work hand-in-hand.

Please join me in congratulating and welcoming Isela to her new role as the Deming ISD County Director.
