
General Information Memorandum

ISD-GI 16-33

TO: ISD Employees

FROM: *MM* Marilyn Martinez, Director, Income Support Division

RE: Office Closure

DATE: April 18, 2016

This memorandum is to rescind ISD-GI 16-20. Signs in Spanish and English informing the public of the current lobby hours are attached and must be posted at the entrance door and the lobby area at each office. Please remove the previous version and replace with the posters provided. The ISD lobbies will be closed on the specified dates below from 8:00a.m. to 12:00p.m. to allow a concentrated timeframe to focus on the processing of cases. For offices that house or share the lobby with another agency, the lobby will remain open for that agency's access however, ISD staff will not be available.

Attached are two signs that need to be posted immediately so that we can provide applicants/recipients with notice of the upcoming closures. If you are co-housed with another agency, please ensure you post the appropriate notice. The following Wednesdays have been identified for calendar year 2016.

The blocked 4 hours of time will provide valuable dedicated time to allow for offices to focus on processing. It is expected that all staff will process cases with the exception of the FAAs answering telephones; however, they will continue to process based on the call they are handling. Supervisors will approve only emergency leave during the 8:00 a.m. to 12:00 p.m. office closures.

If you have any questions regarding this GI, please contact Carolyn Craven at (505) 827-7215.
