Re: Selection of New County Director for Lea County
Date: May 28, 2013

This memorandum is to announce the selection of Lois Greenway as the new County Director at the Lea County Income Support Division office in Hobbs. We are pleased to have Lois fill this position, as she brings with her a wealth of experience, dedication and professionalism.

Lois received her diploma from Hobbs Senior High School. Prior to coming to work with ISD she was employed eight and a half years with what was then known as Protective Services for adults and children under HSD. She is an active member of the St. John Baptist Church and has been a Foster Parent for the past 10 years.

Lois was hired to the Income Support Division with HSD in 1993 as a Family Assistance Analyst in the Hobbs office. In 2009, she was promoted to Line Manager where she has worked until this most recent promotion to the County Director position. She also has been the manager responsible for the oversight of the ICM/Waivers FAA for the Hobbs office.

Lois will begin her new duties effective May 25, 2013.

Please join me in congratulating and welcoming Lois to her new position as County Director.
